

CONSUMMO PAINTING

## the consummate professionals

For the perfect finish to large-scale industrial and commercial projects, Consummo Painting is the premier provider in Western Australia.

**With unrivalled  
experience across the  
commercial, residential,  
retail, heritage and North  
West sectors, Consummo has  
brought style and expertise  
to projects for Rio Tinto,  
Freshwater Bay Yacht Club,  
Perth International Airport,  
Nando's and the Office of the  
Premier of Western Australia,  
to name just a few.**

Managing Director Adam Kukulj formed the company in 1997 with the aim of becoming the industry leader in Western Australia. Consummo operate a fully qualified team that upholds our high standard of first-class workmanship with promptness, reliability and innovation.

Safety is given our absolute highest priority and we strictly abide by Australia's OHS regulations.

The name Consummo was chosen for its Latin meaning: to make something perfect and complete. This is the underlying principle of every one of our projects.

We offer a range of specialist services, including:

- Protective coating - floors, anti-graffiti, wall rendering and roll-on texture, roof restoration and maintenance.
- Special effects such as metallic, suede, chalk / white board and hammer finish.

We also offer various alternative effects, please see our website for more details.

- Wallpapering.
- Maintenance and strata services.

So confident are we in the quality of our workmanship, we offer clients a 10-year guarantee.
